## CLINCS

---

All clinics for this Spring will be held from 6pm-8pm at CrawDaddy Outdoors. Cost is \$5/person or \$10/family. To sign up for a clinic, call, email, or stop by the store. *Pre-registration is required and must be done one at least one day prior to the clinic!*

### February 9th Map and Compass

Being able to use a map and compass in the great outdoors is an invaluable skill that any outdoors person ought to know! Come learn the basics of using a compass and a topographical map.

### February 16th GPS

Global Positioning Systems are becoming more and more popular every day! Whether you'd be using the GPS for family recreation, hunting or navigating through the Boundary Waters, you are welcome to attend this clinic!

### February 23rd Basic Wilderness First Aid

We will review basic first aid protocols with you and run through various first aid scenarios you may find yourself in when you are out enjoying the great outdoors! \*This is not a certification class.

### March 23rd Backpacking 101

Have you ever thought about going on a backpacking trip but just weren't sure how to go about it? This clinic will go over the basics of backpacking and then will let you ask any questions you have about this great outdoor activity!

### April 6th Photography

Do you enjoy taking outdoor photos but would like some advice on how make your pictures better? If so, join us while Kip Ladage from Ladage Photography gives us the basics of photography. Subject matter will include wildlife, wildflowers, and scenery.
